Under no circumstances shall a buyer or those persons who will live with the buyer move into the mobile home he will buy or already has bought until (a) he and all persons who are to live in the mobile home have been approved by Community management to become Residents; and (b) he and all persons who are to live in the mobile home have assumed this lease by fully executing or otherwise identifying themselves as a resident on an identical Common Area Rental Agreement covering the balance of the calendar year of this Common Area Rental Agreement, or (c) sign a new Common Area Rental Agreement with the then current rates and terms.

Prior to approval of any potential purchaser, Community Management must be notified of the name of all persons who will live with the purchaser, and the current address, phone number, job references, and any other reasonable information requested by Community Management with respect to all persons who will live in the mobile home following its sale to the potential purchaser. Within ten (10) days of receipt of all the requested information, Community Management shall give the Home Owner notice of whether the potential purchaser and all persons who will live with that purchaser have been approved as being qualified to become Home Owners.
